Package includes Transportation, Tour guide knowledgeable in Botany, fresh local bottled water, entrance fee to Screws Spa for rejuvenating bath after hike. Site user fees per day .

Tour Description:

Walking any of the 14 segments of the Waitukubuli National Trail, is a fun way to spend your day trekking through this great jungle, with lots of flora and fauna and an opportunity to see a bird or two.

The Trail passes through six vegetation types that cover this lovely island. Hikers will cross over fallen trees, rivers and small streams, meet locals as they pass through little villages, see farmers hard at work and will end with a soak at our own natural hot mineral pools at the Screws Spa. This hot soak will truly ease away the stresses of the hike, truly an indulge yourself experience awaits.
